The knowledge and experience which produce wisdom, can only become a man's individual possession and property by his own free action; and it is as futile to expect these without laborious, painstaking effort, as it is to hope to gather a harvest where the seed has not been sown. I love the garden, there is always somewhere to sit to either catch the sun or cool off in the shade and there is nothing better in the evening than to gaze up at the stars from the comfort of the hot tub. Now they hate this country. Land Records.
