Views Read Edit View history. This is precisely the direction that the City of Paris has chosen to. And the woman saw that the tree was good to eat, and that it was a delight to the eyes, and that the tree was desirable as a means to wisdom This is how most English and commentator's render the text. Basically, I just wanted to drop a line in defense of some people, such as my self, who choose to check out instead of living a life on the streets as a nearly-retarded, disabled individual. But in comparison with the normal flow of the Moralities, the lines have undoubtedly a certain urgency and glow.
