Flames of Life

If a covered person is being treated at an out-of-network facility and an in-network facility becomes available during the course of the treatment plan, an insurer may transfer the covered person to the in-network facility. As you can probably tell, the conditional is used frequently in conjunction with the imperfect subjunctive.

Inhale • Exhale • Repeat: A meditation handbook for every part of your day

I was pleased with anything that made a noise, and liked to feel the cat purr and the dog bark. The Jervis Bay had seven six-inch Mark VII guns and two three-inch anti-aircraft guns, which figured little in the ensuing battle.
