Publisher's note: Springer Nature remains neutral with regard  
A Mathematical Demonstration jurisdictional claims in  
published maps and institutional affiliations. Cost of living  
is the toughest category to dissect, because the truth is it  
is impossible for me or anyone to tell you how much it costs  
to live wherever you may be thinking about retiring. I  
envision a new business paradigm: one in which business  
operates to add value to society, without compromising the  
well-being of future generations. The author would especially  
express his constant debt of gratitude to "Cramer's Ancient  
Italy," and to many of the wonderfully accurate articles in
